

# CEED INDUSTRY AWARDS 2022

THURSDAY 24TH FEBRUARY 2022

Glasgow Hilton Hotel

## A NIGHT OF CELEBRATION

Book a table at Ceed's prestigious annual Industry Awards. Enjoy a fantastic evening, celebrating the achievements of some of the best established and rising-star businesses and individuals in Scotland.

From engineering, technology, manufacturing and the wider industrial sectors, organisations from all sectors are invited to attend.

precision prototyping

# TROPHIES

Our unique awards were designed by CA Models last year, who have market leading in-house technologies combined with a skilled, experienced team. Leveraging their prototyping excellence and expertise, not only did the trophy design process showcase CA Model's latest elements of advancing manufacturing, the final results looked spectacular! We can't wait to show you what they do this year.

# PLATINUM SPONSOR

Volvo Construction Equipment & Rokbak are this year's Platinum Sponsor. As long serving CeeD members they have gained a lot of insight and support from the organisation and from the member network, to drive real operational improvement and efficiencies across our business.

"It is vital that as a community we recognise the real achievements gained from our continuous improvement, across many key areas such as Net Zero. However, it is more important that we take the time to reward and share the success of the many hard working, innovative people across our organisations."
