PLATINUM SPONSOR

V O L V O

ROKBAK
A MEMBER OF THE VOLVO GROUP

We are delighted to confirm that Volvo Construction Equipment & Rokbak are once again this year's Platinum Sponsor. As long-serving CeeD members, Volvo CE has gained a lot of insight and support from the organisation and from the member network, to drive real operational improvement and efficiencies across their business.

"It is vital that as a community we recognise the real achievements gained from our continuous improvement, across many key areas such as Net Zero. However, it is more important that we take the time to reward and share the success of the many hard working, innovative people across our organisations."

AWARD SPONSORS

Thank you to our Award sponsors. We are pleased to confirm the following Sponsors so far:

If you'd like to sponsor an award, [find out more here](#).

If you'd like to book a table at the Awards Dinner, [find out more here](#).
