

## SPRING 2022 ZERO EMISSION MOBILITY FUNDING CALL

Are you a Scottish based entrepreneurial SME seeking funding and technical expertise to advance the development of a novel prototype product/service that reduces vehicle emissions?

If so, ETP can offer you up to £10k of grant funding through our Zero Emission Mobility funding call.

Funding is awarded to proposals that clearly outline an innovative technical solution that helps Scotland to achieve one or more of the following objectives.

- Design and manufacture more of the components and sub-components required to improve the performance & sustainability of electrified vehicles, vessels, and trains.
- Improve the availability and performance of the infrastructure required to charge/fuel, maintain and service electrified vehicles, vessels, and trains.
- Improve the performance of zero emission fuel technologies including batteries, hydrogen fuel cells, and biofuels.

**The closing date to submit an Expression of Interest is 5pm on Thursday 30<sup>th</sup> June.**

**To submit an expression of interest please visit the ETP website by scanning the QR code. You can also contact Alex Reid, ETP's Business Development Manager for ZEM by email [alex.reid@abdn.ac.uk](mailto:alex.reid@abdn.ac.uk) or connect with him on LinkedIn (<https://www.linkedin.com/in/alexcreid/>)**
