

**Strathclyde and Scottish Development International to  
Host a Half Day Seminar/Networking Event - 30 Oct'14**

**Calling all Medical Devices, Diagnostics and Supply Chain Companies in Scotland!**

**Could Hong Kong be the gateway to the Far East for your Company?**

Come join us at a seminar and receive first-hand information on the Hong Kong medical technology landscape from Hong Kong commercial and academic medtech experts.

Come and hear how you might be supported to enter new export markets and establish collaborative opportunities in Hong Kong, mainland China, and the wider Far East, through a Hong Kong partnership or base.

**Hold the date:** Thursday 30 October 2014

**Time:** 9.30am until 1.00pm

**Venue:** Glasgow City Centre (TBC)

**Please indicate your intention to join us and receive more information by contacting:**
